### HYDRepair® Sea Buckthorn Leaves Bio Extract 'C' G

This concentrate of bio sea buckthorn leaves and bio Sempervivum juice is a new innovation without the addition of water. Sea buckthorn leaves are a by-product of fruit harvesting and are extremely valuable because the leaves contain antioxidant ingredients. The additional Sempervivum bio juice supports cosmetic formulations with regenerating properties. [More](#)

## EcoVadis Platinum Award

The EcoVadis assessment methodology, which rates more than 75,000 companies, looks at environment, sustainable supply chain, ethics, labour and human rights.

In 2021, Botanica achieved a Platinum medal in EcoVadis, confirming our position in the top 1% of all companies under assessment. [More](#)
